

Competition Rules

1 Introduction & Application

This document provides guidance and rules for running competitions and holding a handicap at Pyecombe Golf Club ('PGC'). It applies to all competitions and handicaps; irrespective of the type of competition or the Section under which the competition is being played. It is hoped that this universal application creates consistency across the board.

2 The 'Golf Committee'

The Captain's Committee delegates responsibility for application of this document to the following (known as the 'Golf Committee'):

- (a) Head of Golf
- (b) Club Captain
- (c) Head Professional
- (d) Managing Secretary

The Golf Committee will endeavour to make decisions that are both fair to the player concerned and also to ensure fairness to all competitors.

Where there is no clear precedent in the "Decisions on the Rules of Golf", guidance will be sought from other appropriate sources.

Where possible the Golf Committee will make collective decisions, with the Head of Golf having the casting vote in the event of a tie. However, there will be circumstances where a collective decision cannot be made and with that in mind, any of the above ((a)-(d)) can make a decision on the Competition Rules on an individual basis.

Decisions which relate to the Rules of Golf or to handicapping infringements fall within the England Golf Disciplinary Framework and are subject to a right of appeal as set out below:

3 Rules

All Competitions are played in accordance with the Rules of Golf as set out by the Royal and Ancient Golf Club of St. Andrews. Where there is any conflict between those rules and this document, the Rules of Golf take precedence.

Local Rules are adopted by the Club and are subject to change from time to time. They are displayed on the sign next to the first tee and also on the Club's website and should always be checked before play commences.

4 Tees for competitive golf

Unless otherwise directed by the Golf Committee:

- All competitors will commence play from the first tee.
- Men's competitions are played from the white tees.

- 7 **Competitions entered 'on the day'**
- The majority of our competitions are run in this way.
 - Competitors will book their tee time in the usual way.
 - On the day, the competitor will report to the Professional's shop, to express their intention to play in the competition. The entry will be recorded in the competitions book and the entry fee will be settled.

For 'new joiners' that come to PGC with no handicap or an i-golf handicap, eligibility criteria is as follows:

- A playing rights membership at PGC
- A bona fide handicap and
- Submitted at least five 18-hole PGC scores within the preceding twelve months:
 - i-golfers
At least two of these scores must be competitive rounds. The remainder can be general play or competitive scores.

Three of these scores will be general play and the remaining two must be competitive scores.

It should be noted that competitions run for specific sections of the Club or with handicap restrictions cannot be entered by players that are not a member of the section or do not meet the handicap restriction.

For the avoidance of doubt, Independent Golfers with a handicap through England Golf are not permitted to participate in any of PGC's competitions.

10 Entry fees

With the exception of discontinuance of play, as set out below, entry fees are not refundable. For example, it is the responsibility of each competitor to:

- Observe weather forecasts and make their own decision as to whether competitive play is viable.
- Ensure that they have sufficient time to complete their round before darkness.

11 Onesie

A separate set of rules applies to the Onesie. See appendix 1 below.

12 Scorecards returned by single players

All scorecards must be verified by a marker. As such, scorecards returned by single players will not be accepted for competitive or handicapping purposes.

13 Pace of Play

Players are required to maintain a good pace of play. They must keep up with the group in front and failing this, allow other groups to play through as soon as it is safe to do so.

14 Suspension of Play

Competitors may discontinue play due to dangerous conditions, as set out in the Rules of Golf.

Where competitors have entered post midday and are unable to complete their round by 7pm, the competition will be declared null and void and all entry fees will be refunded and the competition will be re-scheduled.

Any competition which is cancelled because of poor weather or where there are fewer than five competitors will be declared null and void and will not be re-played. In these circumstances competitors who had already played will be refunded their entry fee.

15 Course Maintenance / New Hole

Competitors must accept the condition of the course as they find it and may not suspend play because of green keeping work being carried out during their round.

16 Tied Competitions

Unless specified otherwise, to resolve any ties countback is used. Countback is worked out over the:

- Last 9 holes,
- Last 6 holes,

- Last 3 holes,
- Last hole

Handicaps will be applied proportionately. If this does not provide a clear winner the last 12 & 15 holes will be similarly used to decide.

Where the competition is played over 15 holes the best score over the last 7, 6, 3 holes or last hole will be used to decide.

Ties in the Club Championships (scratch) will be decided by a sudden death play-off, commencing from the 1st tee and taking the holes in the usual sequence.

17 Handicaps

A member obtains a handicap by:

- Presenting a handicap certificate from another Club or CDH / EG membership number or
- Submitting 3 scorecards (signed by another member) to the Professional's shop.

Members with prior golfing experience are expected to inform the Club Secretary of this prior to being allocated a handicap.

All players who begin play in any singles stroke play competition will be subject to handicap revision.

The World Handicap System and Congu rules will be adhered to as regards adjustment of handicaps.

The Golf Committee will carry out a review of handicaps in February each year.

Handicap allowances will be consistent with those set out by the WHS / Congu.

18 Returning scorecards

All cards must be returned in accordance with the Rules of Golf. Cards must be handed in to the Professional's shop or, if the shop is closed, posted in the Competition Box.

19 Officials

The Professional's shop will be primarily responsible for access to the first tee and will be empowered to decide on any problems which may arise such as, starting times, provision of markers or handicaps.

20 Closing the Course

Closure of the course is addressed in a separate document which is available on the website.

21 Use of buggies

Use of buggies or similar vehicles is only permitted for competitive / general play rounds if:

- Ground conditions allow and
- A medical certificate has been provided to the Managing Secretary / Professional. That medical certificate must state that the player is unable to play golf, without use of a buggy (or words to this effect).

Appendix 1 – Onesie Rules

1. The Onesie was introduced by past club captain, Gary Hann.
 - a. For qualifying competitions, the club's professional, Mike Ovett ('Mike') takes a fee of £1.00 per player.
 - b. When that fee is paid over to the shop, it is the player's responsibility to make the necessary entry into the competition book, by ticking under the column 'one'.
 - c. Any such fees are held by Mike in the Onesie pot ('the Pot').
 - d. The Pot grows incrementally, until such time as a player has a hole in one in a qualifying competition.
 - e. The player that has the hole in one takes the Pot, less 15% which is donated to PGC's Captain's Charity.
 - f. The Pot then starts again from a zero balance.
2. Entry into the Onesie is limited to male, adult members (or junior members accompanied by an adult member) participating in qualifying competitions. For these purposes, a qualifying competition is:
 - a. A singles game, and
 - b. Played from the white tees, and
 - c. One of PGC's competitions.
3. Once won, the Pot can:
 - a. Be used as credit in the pro shop.
 - b. Only be redeemed with Mike.
4. The Pot cannot be transferred:
 - a. Onto a member's club card.
 - b. To any other person.
 - c. To any other club professional.
 - d. Into a bank account or similar.
5. Where there are multiple hole in ones in the same competition (note – the Men's Club Championship is played over two days), the Pot is split equally amongst all players achieving the same, irrespective of the timing of the hole in ones.
6. Where there are no hole in ones during one Captain's Year period, 50% of the Pot will be donated to PGC's Captain's Charity. The remaining 50% will 'roll over' and form the opening balance of the Pot for the new Captain's year.
7. Any challenge concerning the above rules shall be referred to the Captain's Committee, with that committee's decision on the matter being final.
