

Pyecombe Golf Club

Get Into Golf Academy

Our Get Into Golf package is aimed towards those that are new to the game. You might want to try your hand at golf, but don't really know where to begin. Our package combines the ability to play golf, use the Club's practise facilities and take lessons from our professionals. It also encourages use of the clubhouse facilities and Club socials.

The aim is that, by the end of the 12-month term you will be well integrated into the Club. You will have gained a handicap, with your golf having reached a level where you want to start to play competitively. We will then discuss your membership options; further details of which can be found in the following links:

- <https://www.pyecombegolfclub.com/v2membershipcat.aspx>
- <https://www.pyecombegolfclub.com/v2categorycomp.aspx>
