

**MSRU Away Day - 22 June 2017**

**Copthorne GC**

19 members of the Members Saturday Roll Up (MSRU) visited Copthorne GC.

For the morning team game –

The winners were: **Matt Bament, Ronnie Paulsen and Dave Billington.**

Unfortunately Matt had to leave early so Ronnie was more than happy to collect the beers!

In second place were: **Phil Woolven, Richard Hoare and Paul Melling**

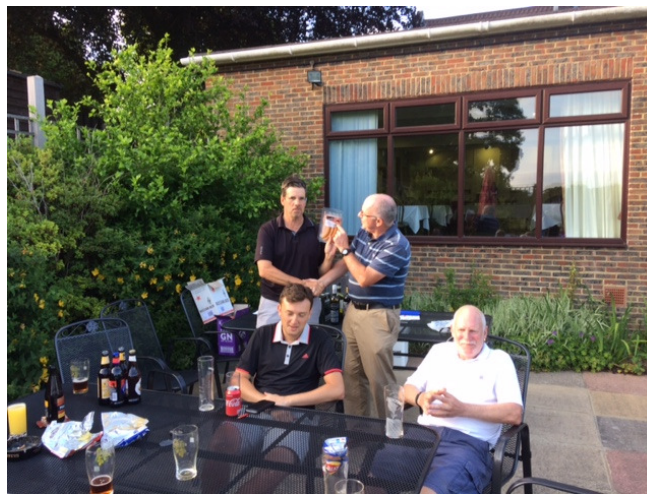

For the afternoon individual stableford the winner was **Mark Gillies:**

In second place was Steve Hurford:

While **Dave Billington** was pleased to receive the Sausage Award – a selection of Frankfurters and Wurst.

The nearest the pin winners were **Neville Mardle, Richard Hoare, Paul Bridle and Chris Rogers:**

Meanwhile Chris Moquet was just happy to be in every photo.

..... and finally the trick shots of the day were played by:

**Matt Bament** who managed to play out of a ditch, only for the ball to go over his head and land behind him.

**Steve Brown** who managed to hit a tree 30 yards ahead only for the ball to return and hit him in the chest. Steve was felled but thankfully he was only bruised and will play another day.
